How to install ?

Installation FIVEM :

Put the "rpk16" file in the "resources" folder and write in the "server.cfg" file the following "ensure rpk16" or "start rpk16".

Installation SINGLEPLAYER :

All [Singleplayer] Folder Files must be installed in the following path in your GTA V :
(Model)
mpgunrunning/dlc.rpf/x64/models/cdimages/weapons.rpf
(METAS files) mpgunrunning/dlc.rpf/common/data/ai
